TTUHSC SOAHS Student Registration

1. Log on to WebRaider http://webraider.ttuhscedu
2. Click on the “My Tech(for Student) tab

3. Click on “Select Term” in the Registration channel
4. Select the appropriate “HSC Term” from the drop down menu.

5. Click on “Add or Drop Classes”
6. Enter the CRN Number for each class you need to register for. You should have received or will receive shortly the CRN numbers for each course you need to register for from your program.

7. If you need to research your classes, click on the “Class Search” button, and search for your appropriate classes (be sure you select at least one “Subject” in your search). When you find the course(s) you wish to take, click in the “Select Box” to the left of the course.

8. Once you have selected all the course in your search, click on the “Register” button.

9. If you have questions with this process, please contact the SOAHS Office of Admissions and Student Affairs.
